Dear Sir

In enclosing herewith a copy of the D O letter received from the Returning Officer Sirsa Town Municipal Council in regard to the General election for re-constituting the Municipal Council from 1st January 1944 I write to state that though there was sufficient time the Returning has failed to take timely action to publish the voters' list His explanation in the matter is not convincing

As rule 4(1) of the Election Rules is mandatory and as the publication of the new voters' list is fixed for 6-10-1943 which falls short by 6 days of the statutory period of three months prescribed in the above rule I think there is no alternative left but to extend the term of the present Council I suggest that in the circumstances the term of the present Council be extended upto 15-1-1944

I am constrained to add that as the Returning Officer has failed to take action in time he may be severely warned

Yours sincerely
N Mathews

In continuation of my report No C 29/45-44 dated 4-10-45 submitting a copy of the Calendar of Events in respect of the ensuing Municipal Elections I beg to submit as follows -

I beg to submit that at present there is only one Head Clerk to the whole office There is neither the second clerk, nor the Bill Collector nor the octroi clerk The second clerk, one Rajani Singh was sent as Depot Clerk Sira from 9-8-45 Seeing that there was very heavy work in the municipality I reverted him in anticipation of your third orders but in the meanwhile he fell ill and has gone on leave after producing a medical certificate He is not expected for a month more The Bill Collector's post was vacant for months One Abdull Beig was at last posted He joined duty and remained on duty for a couple of days He was relieved on 9-8-4 as he was posted as Depot Clerk of Baragur Depot One Channabasavaiya was the Octroi Clerk He fell seriously ill He took leave for two months and was removed to Victoria Hospital at Bangalore Subsequently, that is, about a month back he died In this way the office is deprived of the entire staff Reports have been submitted requesting for orders to post substitutes in the vacant places

The entire office work and octroi work devolved solely on the one available Head Clerk It was very difficult for him to attend to the election work also To start with the Voter's list had to be prepared I directed the Basta Shanbhog of the place to prepare the voters list under the supervision of the Head Clerk with all the best attempts it could not be prepared earlier Hence, the Calendar of Events has to start from 6-10-45 with the publication of the voters' list The voters list is accordingly published on 6-10-45

In this connection I beg tosubmit that according to Rule 5(1) of the Election Rules, the voters' list has to be prepared three months prior to the date on which the term of office of the Municipal Councillors, expire on 1-1-1944 (when the new constitution for me will succeed

I beg to state that as the publication of the voters' list of the ensuing elections is published on 6-10-45 the present Council will have to function till and inclusive of 6-1-1944 just to allow three months interval between the date of the publication of the voters' list and the date of the expiry of the present Council

In the circumstances, I beg to request that orders may kindly be passed to extend the period of the present Council till and inclusive of 6-1-1944 under Rule 56 of the Election Rules of the Town Municipal Council
